

Programme Outline Cinekid Script LAB

Cinekid Script LAB is a six-month script-training programme for writers with a children's film project. The training was initiated by Cinekid in 2014, and takes place during Cinekid for Professionals in October, and the Berlinale the following February.

October (during Cinekid for Professionals)

- Introduction to fellow participants + coaches
- Individual coaching
- Get to know your target audience in the Ask Your Audience workshop
- Masterclass on writing for children
- Come-back + Closing sessions
- Screenings at Cinekid Festival
- Participation in Cinekid for Professionals

November to January

- Follow-up sessions
- Participants reconnect with their coach to discuss their progress (by phone or Skype)

February (during Berlinale)

- Welcome back
- Individual coaching
- Scripts in Action workshop
- Dialogue Masterclass
- Come-back + Closing sessions
- Screenings in the Berlinale Generation programme
- Participation in the Berlinale

April

- Individual online aftercare sessions
